

We build strong kids, strong families, strong communities.

Inclement Weather Policy

In case of snow or other potentially hazardous weather or emergency situations, a decision may be made to close or delay the opening of YMCA of Central Virginia. With our best effort during inclement weather, the YMCA of Central Virginia will make a decision with the safety of members and staff as our main criteria.

As soon as a decision is made, any delay or closing will be on our main phone line with a message to reflect the closing or delay status and a notice will be posted on our web site at www.lynchburgymca.org.

Lynchburg City School Delay or Closure.

In case of the Lynchburg City Schools closing or delay based on non-weather issues, and those non-weather related issues does not affect the opening of the YMCA of Central Virginia, our hours of operation will not be affected. Our group fitness and water fitness classes will remain on their regularly scheduled times.

On the first day of inclement weather, the morning child watch hours follow Lynchburg City School closing or delay. Evening hours will be determined by 2pm based on the current weather conditions. On subsequent days, please call ahead. We will make every effort to have the nursery open as scheduled.

Please note: it is important to never assume that the YMCA will be open during inclement weather. Please call prior to coming to the YMCA to check openings, closings, or delayed opening.
